

HLs and SKs, It has been a busy month for Oregon Amaranth. HL Judy and SK Alan, along with 21 additional Oregon Amaranth members, enjoyed attending Washington Grand Court. They shared Oregon's enthusiasm with our friends to the north. It is great that we are once again able to meet together and greet one another as in the past.

We have just two reminders today:

1. Cherry Court will hold its Installation of Officers tomorrow, Saturday, March 26 at 7:00 pm. Please join them at Salem Masonic Center in west Salem.
2. From HL Janet Givens RM & HL Gloria Varner RM-elect: **Oceanside Installation will occur during our meeting on 4/2/2022 and is for Amaranth members only. Our meeting will start at 10:30 am, and we expect a lunch break around noon. Please bring your own lunch for this brief break. Installation will occur as a regular order of business.**

Information about other upcoming installations will be in the next Oregon Amaranth News due in your mailbox (and posted to the website: OregonAmaranth.org) on the first Friday, April 1... no foolin'

There have been 12 members out of our distribution list of over 400 that report they did not receive the last email, which included the Oregon Amaranth Newsletter for 3/15/22. As a courtesy, here is the link to the 3/15/22 Newsletter. However, this problem is of concern because I have used the same distribution list that HL Judy used as the Newsletter Editor.

I have researched this thoroughly in the last week and find nothing that would have stopped the emails from being sent from this new account. However, there might be several reasons our members have not received the email. Some emails may have been diverted to spam folders, others may have been refused by virus protection software, and others may have other reasons for not allowing the email to be received. Some members have successfully received further emails from this new email address by **going into their settings and adding "OregonAmaranthNews@gmail.com" as a CONTACT**. If you know of any members who have had their information from Oregon Grand Court News disrupted, please suggest they check their SPAM folder, and please add us to their CONTACT list. After adding this email to their contact list, ask them to email me at OregonAmaranthNews@gmail.com and I will email back to be sure that emails are successfully getting through. Thanks for your patience.

Wishing you a wonderful spring.

HL Kris Aanderud, Editor
Oregon Amaranth News
