To the officers and members of Oregon Grand Court,

With the news we received earlier this week that our Grand Court venue, Valley River Inn, had a fire, it has been a whirlwind this week.

I have now been informed by VRI that they will not be able to accommodate us for our annual Grand Court session as scheduled March 9-11. Please be assured that I am doing everything that I can to secure a new venue in order to hold our annual session.

At this time I don't have a new location or dates this will happen. I do appreciate all who have reached out offering help and support. I am exploring all options and will keep you all updated as I have anything to report.

I understand some have received cancellation notifications directly from Valley River Inn. This must be something that they automatically do in situations such as this as I am in continued contact with them to see about securing a different date after they determine they are OK to reopen. I am hoping to have something in place by next week.

Updates will be forthcoming as I have more information.

Judy Jones
Grand Royal Matron

Dear HLs and SKs,

The next Oregon Amaranth Newsletter may be delayed to be able to provide you with more detailed information, as it becomes available. Please watch your email for more news.

Please keep our Grand Royal Matron Judy and her team in your prayers as they are working diligently on our behalf and for the best interest of our Grand Court.

In Amaranth love, Kris
