

To the officers and members of Oregon Grand Court,

With the news we received earlier this week that our Grand Court venue, Valley River Inn, had a fire, it has been a whirlwind this week.

I have now been informed by VRI that they will not be able to accommodate us for our annual Grand Court session as scheduled March 9-11. Please be assured that I am doing everything that I can to secure a new venue in order to hold our annual session.

At this time I don't have a new location or dates this will happen. I do appreciate all who have reached out offering help and support. I am exploring all options and will keep you all updated as I have anything to report.

I understand some have received cancellation notifications directly from Valley River Inn. This must be something that they automatically do in situations such as this as I am in continued contact with them to see about securing a different date after they determine they are OK to reopen. I am hoping to have something in place by next week.

Updates will be forthcoming as I have more information.
